## Blackstone Student Tuition Protection Policy

**Blackstone Career Institute** is confident that the course you have selected will be everything we advertise. To assure you of this, we provide this cancellation and refund policy. A student may cancel the program by notifying the school in any manner; a written request is recommended. If you cancel within 5 days from the signature date on your Enrollment Agreement, all monies will be refunded. (If you are taking the program under GI Bill benefits, you have a minimum 10-day waiting period before submitting a signed affirmation, and you will receive a prompt refund of the total amount paid.) If you cancel after 5 days from the signature date of your Enrollment Agreement, but prior to receipt by the school of your first exam, (or, if you are using GI Bill benefits, then after the 10-day affirmation period) you are obligated to a registration fee of 15% of the tuition or \$150, whichever is less. (Students using GI Bill benefits are liable to the school for a registration fee of 10% of the tuition or \$50.00, whichever is less.) If you cancel after submitting the first exam, you are obligated to pay the school the registration fee plus a percentage of tuition as follows:

- A. Up to and including 10% of the exams, 10% of the tuition.
- B. After submitting more than 10% up to and including 25% of the exams, 25% of the tuition.
- C. After submitting more than 25% up to and including 50% of the exams, 50% of the tuition.
- D. After submitting more than 50% of the exams, you owe the school the full tuition.

If you choose to cancel and have paid the school more than the amount as calculated above, all excess payments will be refunded upon receipt of all unused book(s) and learning material(s) in 'resalable condition.' All materials, books, CDs, and hardware will be inspected for use. If you have written in your book(s), highlighted, bent, folded, or otherwise damaged any of the returned materials, they will be considered not resalable and will require a refund reduction equal to the replacement cost of those materials. B.C.I. is not responsible for lost, damaged, or misdirected mail; it would be advisable to retain verification of your return shipment. No CODs or postage-due returns will be accepted. Refunds are processed within 30 days to the payee of record.

This Enrollment Agreement is a binding contract when signed by the student and accepted by B.C.I. at its offices in Pennsylvania as governed by Pennsylvania law. B.C.I.'s career courses prepare the student for entry level work in the field, and are generally not transferable for credit to traditional colleges or universities. Educational requirements and regulations governing employment vary from state to state. It is the responsibility of each student to determine whether the B.C.I. program selected meets those educational requirements within his/her resident state. In case of student illness or accident, death in the family, or other circumstances beyond the control of the student, the student shall be entitled to special consideration: B.C.I., at its option, may settle the account for an amount which is a lesser charge to the student than that called for by B.C.I.'s established policy.

All lessons, texts, and course materials are included in the tuition for the course you select. These materials are described in detail in the literature of B.C.I. At its sole discretion, the school reserves the right to substitute course materials of equal or superior value.
